Authority and Reference: Pursuant to the authority vested by Section 1614 of the Business and Professions Code, and to implement, interpret or make specific Sections 1749.1 and 1766 of said Code; the Dental Board of California is considering changes to Division 10, Title 16 of the California Code of Regulations as follows:

### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

#### Adopt 16 California Code of Regulations, Section 1082.3

Business and Professions Code 1749.1 provides that, in addition to any other examination required by law, the Dental Board may require applicants for licensure as Registered Dental Hygienists (RDHs) to successfully complete an examination in California Law and Ethics.

The proposed addition of Section 1082.3 would formally implement Business and Professions Code Section 1749.1, so that an examination in law and ethics will be required, the content defined, and a passing score established.

The proposed regulation is nearly identical to Title 16, California Code of Regulations Section 1031, which requires a supplemental examination in law and ethics for dentist applicants. Similarly, Section 1081 provides that the written examination for licensure as a Registered Dental Assistant shall contain questions on law and ethics.

The proposed regulation would establish 75% as the passing score, similar to the provisions of Section 1083, which sets 75% as the passing score for all almost all other auxiliary licensure examinations.

## FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Cost or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17651 Requires Reimbursement: None

### Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

### Impact on Jobs/New Businesses:

The Dental Board of California has determined that this regulatory proposal would not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

### Cost Impact on Representative Private Person or Business:

The Dental Board of California is not aware of any cost impact that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effects on Housing Costs: None

## EFFECT ON SMALL BUSINESS

The Dental Board of California has determined that the proposed regulation would not affect small businesses because this regulation pertains to administering the exam of California Law and Ethics during the clinical exam.

## CONSIDERATION OF ALTERNATIVES

The Dental Board of California must determine that no reasonable alternative which is considered or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
